Dear Professor Secord:

Your letter of December 14, 1962 was forwarded to me from the Lowell Institute some weeks ago, and I must apologize for the further delay in my reply.

The Theory and Practice of Blackmail is not available at present, but we are hoping that it will be put into a form that will make it suitable for distribution as a RAND paper during the summer, at which time we will see that a copy is sent to you.

Thank you for your interest, and again my apologies for my very late reply.

Sincerely yours,

Daniel Ellsberg
